```

The diagram illustrates a header file dependency. At the top, a gray box contains the header file path 'src/managers/lcsManager.h'. Below it, two white boxes represent source files: 'src/managers/lcsManager.cpp' on the left and 'src/ui/CalendarGridWidget.cpp' on the right. Blue arrows point from each source file box up to the header file box, indicating that both source files include this header.
