The diagram illustrates a C++ project structure. At the top is a header file, `src/ui/ShareCalendarDialog.h`, enclosed in a gray box. Below it are two source files: `src/ui/CalendarListWidget.cpp` on the left and `src/ui/ShareCalendarDialog.cpp` on the right, both in white boxes. Two blue arrows point from the source files up to the header file, indicating that both source files include this header.
